[FT8 – Tipping Point for Ham Radio?](#)

What will kill amateur radio is if we cease to innovate, become old and grumpy, and no longer bring new blood into the hobby.

[Early Amateur Radio In The Canadian Arctic](#)

In the 1930s people working in Canada’s Arctic often brought their amateur radio skills and equipment north with them so that they could relieve the isolation by contacting other radio operators around the world.

[New amateur satellite forum aims to help newcomers](#)

This is a forum where everyone can report on experiences and knowledge from operating

of our satellite community.

AMSAT UK

History of white LEDs

Infrared, red, and even green LEDs were “easy,” but blue LEDs require a much larger bandgap, and therefore required more exotic materials.

ISS SSTV Passes Oct 28, 2018

Here are many International Space Station Slow Scan TV photos that I captured on October 28 & 29.

K7AGE

Review of Geochron 4K World Clock

For 50 years, Geochron made a classic, mechanical clock showing the time across the world as well as areas of light and dark. Well, they've now gone electronic with the new Geochron 4K.
